

LIVE ONLINE VOICEOVER TRAINING • LIMITED TO 8 PARTICIPANTS

VOICEOVER BASICS FOR BOOKINGS

6 Saturdays: October 10 - November 14, 2026

9:00 - 11:00 AM Pacific • Live on Zoom

Great voiceover isn't simply about having a great voice. It's about connecting with the copy, making strong performance choices, understanding audition protocols, and giving voice buyers what they need to hear.

WHAT YOU'LL WORK ON

- Commercial
- Narration
- Characters for Animation & Games
- Conversational and authentic reads
- Audition technique and spec interpretation
- File naming, slating and submission protocols

REAL-WORLD "FAUX-DITIONS"

Weekly practice auditions recreate the submission process so you can work on performance, direction, audio quality and the details that help keep a strong audition from being eliminated before the client ever hears it. *(It happens!)*

110+ PAGE WORKBOOK INCLUDED

Marketing • Agents • Vocal exercises • Home studio gear • Connectivity options • Audition protocols • Industry resources • and more.
